

Dear Friends, happy winter!

It is our pleasure to welcome you to the year-round operation of the Westin kids club®, our little friends' private paradise .

At The Westin Athens, we're dedicated to making our visitors with children feel right at home with in the Westin kids club®.

This program helps kids and their parents discover the best the destination has to offer, with services and activities to keep children happy and their parents free of worries. Fun and educational activities will keep kids of 2.5 to 12 years of age engaged and excited.

The adventure begins in our specially designed indoor area, resembling a colorful train, and continues with a remarkably green outdoors, sundrenched and overlooking the sea.

Many activities focus on sightseeing attractions of Athens, whereas arts and crafts, games, and entertainment

(such as 'local vocal' singing programs) are often on the schedule.

Exciting educational topics might include recycling or the five senses.

Our special Westin kids workout program makes fitness fun for every age.

While your children will enjoy supervised and super-fun activities you will be able to relax in our restaurants and outdoor lounges, explore our sports facilities or visit Arion Spa just a few steps away.

Enjoy moments of relaxation while you kids enjoy a fantastic array of indoor and outdoor activities.

The Westin kids club is an ideal venue for children parties, birthday celebrations etc.

Please contact our Events team to inform you about a variety of creative ideas.

We hope to see you soon!

Best Regards,
Katie Papadimitrakopoulou
Westin Kids Club Supervisor
